GOLDEN DELICIOUS
This summer, wear single splashes of bright
make-up to accentuate a light tan. Here,
make-up artist Inge Gregorand mixes MAC's
Pro Pigment in Rich Purple, \$15, with water,
smudging it on using her finger. Accentuate the
look with Diorshow Waterproof mascara in 375,
\$18 - a deep purple that gives the illusion of
brighter eye whites. Tan skin safely using one of
the latest self-tan formulations. Try Chanel
Precision new Soleil Intelligent Perfect Color Face
Self-Tanner SPF 8, \$22, which adapts to your skin
tone, while St Tropez Aero Bronzer Instant Self-
Tanning Air Spray, \$25 (01110 626363) is the latest
sweat-proof addition to the cult bronzing range. For
no-mess body application, try the new Sublime
Bronze Self-Tanning Glove System L'Oréal Paris,
\$11, a single-use self-tan-impregnated mitt.
Bikini top, from £130, at M&M's.
Beach house, £115, at Harrods.
