THE BEACH HOUSE BARBUDA

The Beach House is a perfect sanctuary, a private haven of peace and tranquility, also ideal for honeymooners. The Beach House feels more like being a guest in a private residence than a hotel. Sample the allure of stylish beach house living at this chic European-designed boutique resort. "The Club House Terrace" under the sail offers magnificent ocean views and is an ideal place for breakfast, lunch or dinner. You can also dine inside the open-fronted lounge, in your room, on the beach with full beach service or on your own private terrace, the choice is yours. Throughout your visit, your Service Ambassador is always available to assist with your personal requirements, and, if you want to stray beyond the expanse of decking encompassing the large pool and the beach, there are more adventurous activities. Barbuda offers world-class snorkelling and scuba diving.
