THE BEACH HOUSE

BARBUDA

Located alongside a seemingly endless stretch of pure white beach streaked with Barbuda's distinctive pink sand, this stylish boutique resort caters for those looking to get-away-from-it-all.

The Finer Points Offering twenty luxurious Oceanfront Junior Suites and a One-Bedroom Suite, each one is tastefully appointed with sitting area and private deck. The suites are air-conditioned, but do not feature televisions, computers (the hotel does have WiFi) or fax machines – so peace and quiet is guaranteed! To make sure you feel completely pampered, a Service Ambassador greets each guest on arrival with a cooling cocktail and chilled towel and is ready to assist with just about everything – from helping to unpack your suitcase to organising special island tours. The Clubhouse is the social centre of The Beach House, with fabulous views of the sea across the deck that surrounds the large swimming pool. Leisurely breakfasts, lunches and dinners are all served here. Alternatively, enjoy a selection of complimentary canapés, then dine à deux on your private terrace. (All guests must be over sixteen years of age).
